St. Marys Area United Way Mission Statement

To help people in our communities care for one another by providing financial support to qualified agencies who serve the health and human welfare needs of the citizens of the St. Marys Area.

****

As the St. Marys Area United Way enters its 91st year the agency has changed with the times, but our goal is still to remain supportive in providing a higher quality of life for the citizens of our area. Our partner agencies provide services for children to special needs individuals, families, senior citizens and veterans. If you are a resident from the ***City of St. Marys, Fox, Jay or Benezette Townships,*** it is likely that at some point in your life you have utilized or benefitted from one of the many services or organizations that are funded by the United Way.

Since the SMA United Way is always looking to give back we are sponsoring a ***Random Acts of Kindness*** week from September 6-12th. Here are a few suggestions, but the opportunities are endless. Let us know what you did ~ post it on Facebook or email the United Way (kris.kronenwetter@local.unitedway.org) or call us at 781-6000.
